## CITY OF SAN ANTONIO TREE CREDIT CERTIFICATE

The Tree Credits identified above may be used by the Holder identified below, or its assigns, to meet the tree preservation and landscape requirements of Chapter 35, Article VI, of the San Antonio City Code, as amended. The amount of Tree Credits stated above and recognized by this Certificate are fully assignable in whole or in part by the completion and execution of a tree credit assignment form that is substantially similar to Exhibit "A" attached hereto and incorporated by reference for all purposes. The Holder shall present this certificate on each occasion that the Holder wishes to redeem tree credits. In the case of an assignment, a fully executed tree credit assignment form must be presented, indicating the number of tree credits assigned, in addition to this certificate. The City of San Antonio shall accept and recognize the diameter inches as identified above, or as assigned, until the full amount of Credits represented by this Certificate has been redeemed by the Holder or its assigns. Upon presentation of this certificate the City Arborist shall record on the reverse side the number of credits that has been redeemed either by the Holder or by an assignee and the balance remaining. The City Arborist shall also maintain a record of this Certificate and of any assignments hereof. The Holder shall sign both this certificate and the City Arborist's records indicating the new balance. Any and all assignments shall be recognized until the full number of inches of credits identified above has been redeemed. The credits recognized by this certificate shall be used to meet the requirements of Chapter 35, Article VI, of the San Antonio City Code with respect to the development of property located within the City Limits or the City's Extra Territorial Jurisdiction (ETJ).

1999 CEDAR ELM J.V.

HOLDER

*Issued on the 10 day of February, 2000, by the authority signing below.*

A handwritten signature in cursive script, appearing to read "Debbie Reich", written over a horizontal line.
